
Huge points win for Atlantis swimmers

SWIMMING

Dunmow Atlantis Swimming Club (DASC) gained their biggest points score ever – as well as highest ranked position – in the third round Essex League gala hosted at Braintree on Saturday.

They just fell short of overall victory, but with 38 personal best times, 16 new club records, 35 top three finishes – including 15 first places – and second place overall with 207 points, made for a hugely successful outing.

Head coach Steve Turner was delighted with the young squad,

adding: “I am so proud of them – it was an excellent job.

“I would like to thank everybody that helped in hosting our first ever Essex Swimming League.”

DASC now move focus on to Essex County Championship blocks B and C before competing in the fourth round of the Essex League in May.
