

Swimming

Dunmow Atlantis swimming club have finished in fourth place in the latest round of the Junior Swimming League.

The club came up against tough opposition from clubs across the M11 corridor.

They were unfazed by the 49 events held that afternoon, and the squad - with swimmers aged from nine to 12 - put on an impressive display to finish just outside the top three.

For more information about the club, which competes at county, regional and national level, visit www.dunmowatlantis.co.uk
