**Dunmow Atlantis Swimming Club held their annual Christmas Cracker meet, with clubs from all over the local area taking part.**

The event was co-hosted with Braintree & Bocking SC and the busy two-day schedule saw swimmers aged nine and above compete for medals and to gain county times.

There was an air of friendly rivalry due to the festive atmosphere and the meet proved to be hugely successful once again.

Dunmow head coach Darren Tucker thanked all of the volunteers, without whom the meet would not have been possible.

And he added his delight at how things went in the pool, saying: "This meet normally brings out some good times, but this was one to remember. Smashed PBs, more county times than I could count and an all-round awesome atmosphere."
