Celebrations for swimmers

SWIMMING

Jack Richardson, Lauren Barker and Katie Musgrove had every reason to celebrate having each been awarded for their continuing hard work and dedication with Dunmow Atlantis Swimming Club.

Twelve-year-old Jack was named Swimmer of the Month due to the all-round effort and superb performance displayed at recent meets, resulting in qualification in eight events for the

East Region Championships, to be held later this month.

Meanwhile, Lauren and Katie were delighted to receive Jack Petchey awards.

Head coach Steve Turner said: "Well done to both girls on their awards.

"They continue to train well, leading the lane when possible whilst working towards improving their technique and times."
