

Swift swimmers break records

Swimming

THIRTY-TWO swimmers from Dunmow Atlantis Swimming Club (DASC) took part in Round 2 of the Junior Swim League at Braintree Swimming Centre on Saturday.

They competed against seven other clubs and produced some fantastic results with over 40 personal best performances.

This is a new league for DASC and swimmers are getting the chance, many for the first time, to experience the fun of competing as a team in a high quality gala.

Club staff thanked the support of parents and coaches, as well as pool-side leadership from junior and senior squad captains Meghan Maybanks, Josh Smith and Rosie Musgrove.

DASC is always looking for new members and are particularly keen to hear from swimmers aged 7-10 years old to join the development squad. Contact club secretary Amanda Simmans on 01371 830822.
